

THE CHINA BEAUTY CHARITY FUND

中国美基金

The word “beauty” in Chinese embodies caring, giving, honesty and beautification of the human spirit. Friends of China Beauty Charity Fund (FCBCF) is a qualified, US-based non-profit organization dedicated to the true meaning of the word “beauty” in Chinese. Our main focus is women and children in all aspects of their lives, particularly health and education in China. We also aim to foster international understanding through cultural and academic exchanges. We provide grants to organizations which will use the funds to empower Chinese women and help them achieve equality, better their careers and fulfill their potentials.

This newly established charity is headed by Chinese American Yue-Sai Kan. Yue-Sai believes “Beauty is power. We can use this power to accomplish millions of wonderful things for people in need!”
